Private Cooking - your chef Debbie Gieling

Did you ever have the feeling after a dinner at your home that you didn't have enough time for socializing with your guests, preparing the next course, seeing to full wine glasses, serving and afterwards cleaning up the kitchen? Well, that happened to me a lot of times. And wouldn't it be lovely not to have to bother with those aspects of a dinner party and just enjoy the food and your guests?!! This experience and my love for cooking have been the inspiration for starting private cooking as a business. I am an experienced self made chef, always looking for new culinary challenges! My recipes are international.

Just imagine how lovely it would be not to have to bother with cooking, serving and cleaning and just enjoy the food and your guests....let yourself be spoiled!

Private Cooking organizes private dinners up to 12 persons!

Would you like to book a private dinner? I will come to your place to discuss the menu and see what other arrangements you would like.

How does it work.....

For a private dinner you can choose for a 3-, 4- or 5 course dinner with or without a wine arrangement. On my website you will find my menu, but of course it is possible to discuss other menu possibilities regarding your or your guest's personal tastes.

If you should wish, I can also take care of setting the table and help you how to receive your guests. For me it is important that you have a fantastic evening without having to bother with anything but your guests!

Price list

3-course dinner € 22,50 p.p.

4-course dinner € 32,50 p.p.

5-course dinner € 39,50 p.p.

Wine arrangement

€ 15,- for each opened bottle

Preparing the dinner and the evening etc will take me approximately 7 hours for which I ask € 150,-

Most of the preparations I will do at my home but still it is important that I can finish the dinner at your home. That means that it is necessary that your Kitchen has cooker and an oven.
